Office of the Attorney General

Date: 28 February 2012

Your Highness Sheikh Mohammed bin Mubarak Al-Khalifa

Deputy Prime Minister

Peace be upon you and the mercy and blessings of God,

We would like to inform you that the Public Prosecution agreed with Spectra Information Technology to provide the 60 interrogation rooms in the headquarter of the Public Prosecution with the necessary technical equipment for audio and visual recordings. This is the same company that signed a contract with the Ministry of Interior.

The Public Prosecution also agreed with specialized companies for the installation of insulation in order to ensure the quality of sound and prevent any disruptions in the interrogation rooms. It is likely that supplying the rooms with the technical equipment or the insulation will be completed within 2 months from the date of this letter.

Kindly check the briefing.

With kind regards,

Dr. Ali Fadhel Al-Buainain

Attorney General
